

WE HAVE HAD A 15% INCREASE IN DOG ATTACKS LAST YEAR

That is a total of
1,916 posties who
have been injured.

Don't be one of them

- Never put your fingers through the letterbox! – use a Posting Peg wherever possible
- Hold the door closed until the customer puts the dog in a safe place
- Defend yourself, if necessary, using your delivery equipment
- Always report dog hazards and near misses to your manager
- If a dog is running loose on the premises – **DO NOT ENTER**
