**CWU MEMBERS KILLED AT WORK:**

**FIGHT THE COALITION GOVERNMENT'S  
HEALTH & SAFETY CUTS!**

- \* People die when health & safety regulation is removed!
- \* Regulations don't kill jobs but lack of regulations and enforcement kill workers!
- \* Join us at the opening of the CWU Workers Memorial Garden at CWU Education & Training Centre, Alvescot Lodge on WMD.

Having trade union representation in a workplace can help to prevent these deaths. Research shows that unionised workplaces have half the number of fatalities of non-unionised ones.
